

Welcome Parents and Students

2018-2019

Dear Parents and Students,

Welcome to the 2018-2019 school year! We are looking forward to a very exciting year and want to welcome the new Kindergarten students.

Classes begin sharply at 9 a.m. and will be dismissed at 10:20 a.m. There is a lot of material for the instructors to cover so we appreciate the promptness. The volunteer ECF staff understands that there is a commitment that each parent has to make in order to have the children participate in the ECF program. Participation and promptness makes classes beneficial and activities successful for all.

Below is a full list of important dates to mark your calendars. However, please be on the lookout for 2 newsletters during the year which will have reminders of upcoming events. We would really like to see an increase in attendance so looking forward to more participation.
